Rich Developments!

We find in the Cleetland Lander, 2d inst., a remarkable naticle. The G. W. Jenses, we imagine, is no other than the Clerk of the last House of Representatives of Ohio. He edited a Locefore paper in Licking county till after the election last fall, when he was provided with a clerkship at Washington. He is a very proper person present time is clerk in the employ of the king secret political societics, among the forforeigs population, and their special patrons. > GIFT ENTERPRISE .- Lust week the Police of New York made a descent upon an establishment in thet city known as Dashall & Co.'s "National Enterprise Office." They took possession of a large number of tickets and other property connected with the concern. It is said that this concern has swindled the green and gullible portion of the public out of about \$30,000. The thing had an existence only in name, as most of these concerns have. We do not pity those who have been taken in. If any one is erable nuisance as "Gift Enterprises," "Gift Lotteries," and "Gift Humbugs," after so the only school in which they will learn prudance. We would once more admonish all readers who feel inclined to fool away their money in this manner to keep their dollars in their pockets or give to the poor.

nominates Hon. Lewis D. Campbell for Governor of Ohio. We agree with our friends the State as Representative in Congress, than he as Governor of the State. We do not wish to see a break in the glorious Anti-Nebraska Delegation which will represent the Buckeyes in the next Congress, especially such a break as the withdrawal of Mr. Campbell would cause. Besides, we entertain a confident hope that Lewis D. Campbell will be the next Speaker of the United States House of Representatives.
